10 DOWNING STREET

THE PRIME MINISTER

15 November 1985

Dear Mr. Uney,

I had hoped to find time to have a word with you myself immediately before the signing of the Anglo-Irish Agreement, but there is so much else to do that it sadly will not be possible. I have, therefore, asked Tom King to speak to you and fill you in on the main points. What he says has my full support.

Kind regards,

Yours sincerely

Raymond Barber
