You wanted to see this —
in attached folder.

See page 5 in particular.

Appendix 9 hints at the abuses.

But I think you already have
the favour of all this.

Dear David,

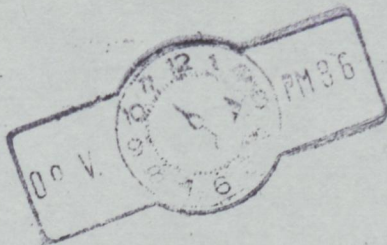

PRISON OFFICERS' DISPUTE: PA REVIEW

I understand that the Prime Minister would like a copy of the PA Report on prison officers' complementing and shift systems for the weekend. I enclose a copy both of the main report and of the associated appendices. There is a good deal of matter here; you will see that there is a summary of findings and conclusions on page 4 of the report, and a concluding section on page 96.

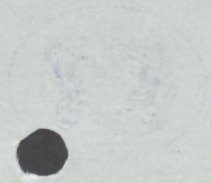

Yours,
Stephen
