The attached letter came in from the Chairman. I found a half hour slot in the diary for him and asked Archie to go to the meeting. He will report back to you.

I understand the meeting did not go too well. The PM was trying to delay making appointments of this type and the Chairman was pressing. I think the PM won!!

RE: Director of Finance

We have identified a first class candidate who we could have seconded from Hansons on favourable terms.

I would like to go ahead and make that appointment as soon as possible, but would appreciate a word with you about it beforehand.
