

E.R.

RA

PRIME MINISTER

MEETING OF E(EP): 7 JULY

This meeting is to consider the Education (Scotland) Bill.  
You may like to have a first look over the weekend at Mr. Rifkind's  
paper which has just come in. Regrettably he says nothing about  
opting out in Scotland, other than noting (paragraph 13) this  
is one of the issues still to be determined.
